PUBLIC NOTICE

It has been noticed that a large number of people, who have taken Delhi Jal Board's water connection, have not taken sewerage connection and have actually connected their sewer either to the nearest storm water drain or any other available channel for disposing their domestic/commercial sewerage. As per Regulation 4(a), "wherever Sewerage System is in existence and maintained by the Board, it shall be mandatory for a consumer to obtain a Sewer Connection, failing which, besides disconnection of water supply, bill will be raised to such consumer in respect of Sewer Charges and/or Development Charges". Hence, through this public notice, all the residents of those colonies, where the sewerage line has been laid by Delhi Jal Board, are advised/informed to apply immediately for sewerage connection for their premises within a period of **30 days** without fail, if not already done.

It is further informed to all the concerned that if a consumer refuses to take sewer connection or not apply for sewer connection, their water connection could be disconnected as per Regulation mentioned above, which is also in line with the orders of the Hon'ble Supreme Court of India in the 'Maily Yamuna' case without any further notice.
